JOSIAH TURNER, Jr., EDITOR.

From the Wilmington Star.

THINGS TO BE REMEMBERED

That all not heretofore registered must register before they can vote.

That all who have changed their residence, even though registered before, must register again before they can vote.

That in view of the conflicting opinions and decisions as to the extent of the present registration of voters, the *safest* plan is for every Conservative to re-register.

That all the candidates voted for on the 4th Thursday in August must be voted for on one ballot—*one slip of paper*, which may be either printed or written.

That at least one good, energetic Conservative should be at each election precinct in the State, charged with the important duty of keeping a complete list of the votes polled, including the name of every voter.

That the old registration books contain the names of thousands of voters who have left the State; and that, unless they are watched, our enemies will have "repeaters" employed to vote every Radical name on the lists, whether the parties be dead or alive. Watch the polls carefully, or we will be beaten by fraud.

That all that is necessary to accomplish the overthrow of the Radical party in North Carolina, is to *bring out our vote*. To this end a real *working* committee of five, or more, should be appointed for every Township in the State. And this committee should see that every Conservative's name is on the registration books, and that every Conservative vote is polled.

That the election of our candidates for Attorney General, and several of our candidates for Congress, depends upon the polling of our full strength in those counties in which we are in a hopeless minority so far as all county elections are concerned.

That a failure to do our whole duty in this campaign entails on us the curse of Radical rule for at least two years more; while a faithful, earnest and determined effort will result in a glorious triumph of Right over Wrong.

That we must support the regularly nominated tickets of our party in all cases; and that every effort to encourage divisions in our ranks is virtually an effort to perpetuate Radical rule and corruption.

That George W. Kirk, the Tennessee freebooter, and former tool of Brownlow, is now the tool of W. W. Holden, and is to-day in North Carolina at the head of a band of guerrillas whose only object is murder and pillage.

That the triumph of Radicalism in the coming election will prove the death knell of civil liberty in North Carolina; the absolute ruin of our State credit; and the stoppage of all work on our railroads and other improvements.

That if every Conservative acts on the presumption that every other Conservative will go to the polls, and that his failure to vote cannot affect the general result, the State must necessarily give a unanimous vote for the Radical ticket.

From the Columbus (Ga.) Enquirer.

LETTER FROM GENERAL LEE.

Some weeks since Harper's *Weekly* having published a false and malicious charge against Virginia's noble son, that he remained in Gen. Scott's service as a member of his staff until the last moment before joining the "lost cause" in order to obtain full knowledge of that officer's plans of future operations, Major Sidney Herbert, editor of the Troy *Messenger* and *Advertiser*, felt called upon, in view of his official knowledge of the facts in the case, (he being at the commencement of the war a staff officer at Washington) to refute the false charge and defend the honor of General Lee That he was right in his statements, and that his good intentions have been fully appreciated by Gen. Lee, is clearly shown by the following very modest letter which Maj r Herbert has just received from the gallant old hero, and which he kindly permits us to give to the public through the columns of the *Enquirer*?

"LEXINGTON, VA., June 29, 1870.

"Dear Sir—I am much obliged to you for the kind sentiments expressed towards me in your reply from the *Messenger* and *Advertiser*, of which you are editor, to the erroneous assertion of Harper's *Weekly* respecting myself. Though it is difficult to learn the truth, the facts in the charge cited might, I think, have been easily ascertained, inasmuch as I never belonged to the military family of General Scott, or served near his person except when in Mexico, when I was attached to the general staff of the army in that country.

"Thanking you for the refutation of the charge and for your kind wishes, I am, very respectfully, your obedient servant,

"R. E. LEE."

A MAN SELLS HIS SHARE IN THE FUTURE LIFE.—Before a court in the province of Pesth, Hungary, a suit was pending, in which an aged Jew was to make a statement under oath. He was ready to take the oath, when another Jew arose and protested against it:

"This man dare not take an oath."

"Why not?" asked the Judge.

"There exists a Hebrew prayer which contains the sentence, that 'every Jew has a share in the life to come.' It is now 20 years since, while I was present, when the man, who is now about to take the oath, sold his 'share in the life to come,' guaranteed to him in the prayer, to another Jew, a Mr. Y., who paid him a certain amount of money for it. As he, therefore, cannot count any longer on a future existence, he has nothing to fear or hope for in the life to come, it must be certainly indifferent to him whether to swear to the truth or a falsehood."

The matter was examined into, and as the strange transaction was found to have taken place in reality, the court granted the protest of the old man, and the party who sold his "share in the life to come," was declared incapable of taking the oath.

Punch and Judy gives a remarkable illustration of "proof-positive." Wife (who has been sitting up), "Well, this is a pretty time to come home. Four o'clock!" Husband (who has taken but one glass of a curious compound, spoken of, by himself, as "whiskanwarra,") "Wha' you mean, madam, by 'Fourklock?' Unfort'nly for you, madam, it sho'appens, curiousenuff, I parsh'd 'Big B.n, madam, and heard it strike one (hic) several t'm s, madam!" [Retires to bed in triumph in his boots.]

Tarboro' shipped 12,000 bales of cotton during the past season.

WALTHAM

WATCHES.

THE EXTENSIVE USE OF THESE WATCHES for the last fifteen years by Railway Conductors, Engineers, and Expressmen, the most exacting of watch-wearers, has thoroughly demonstrated the strength, steadiness, durability and accuracy of the Waltham Watch. To satisfy that class in all these respects, is to decide the question as to the real value of these timekeepers.

More than 450,000 of these watches are now speaking for themselves in the pockets of the people—a proof and a guarantee of their superiority over all others.

The superior organization and great extent of the Company's Works at Waltham, enable them to produce watches at a price which renders competition futile, and those who buy any other watch, merely pay from 25 to 50 per cent. more for their watches than is necessary.

We are now selling Waltham Watches at less prices in greenbacks, than the gold prices before the war. There is no other manufacture of any kind in the United States of which this can be said.

These time-pieces combine every improvement that a long experience has proved of real practical use. Having had the refusal of nearly every invention in watchmaking originating in this country or in Europe, only those were finally adopted which severe trading by the most skilful artisans in our works, and long use on the part of the public demonstrated to be essential to correct and enduring time-keeping.

Among the many improvements we would particularize:

The invention and use of a centre-pinion of peculiar construction, to prevent damage to the train by the breakage of main springs, is original with the American Watch Company, who, having had the refusal of all other contrivances, adopted Fogg's Patent pinion as being the best and fastest.

Hardened and tempered hair springs, now universally admitted by watchmakers to be the best, are used in all grades of Waltham Watches.

All Waltham Watches have dust-proof caps, protecting the movement from dust and lessening the necessity of the frequent cleaning necessary in other watches.

Our new patent stem-winder, or keyless watch, is already a decided success and a great improvement on any stem-winding watch in the American market, and by far the cheapest watch of its quality now offered to the public. To those living in portions of the United States where watchmakers do not abound, watches with the above mention d improvements whose rare so eminent accuracy, cleanliness, durability and convenience, must prove invaluable.

Every watch guaranteed by the Company.

To prevent imposition, buyers should see that every watch should bear either of the following trade marks.

American Watch Co.,	Waltham, Mass.
Ams. Watch Co.	Waltham, Mass.
American Watch Co., Crescent St.,	Waltham, Mass.
Appleton Tracy & Co.,	Waltham, Mass.
Waltham Watch Co.,	Waltham, Mass.

STILL ABSENT.

The editor is still absent, detained at home to protect his family from the attempts of the assassins and desperadoes of the League, who have made such bold efforts lately to murder them.

The Local will run the machine in his absence, as he has frequently done before, and, to use a judicial elegance of expression, will give the readers of the SENTINEL "the best he has in the shop."

It is rumored, we believe correctly, that the Governor will send troops to Hillsborough for the protection of Mr. Turner.—We are aware that Mr. Turner's friends have for some time been apprehensive that the charges of the Governor and his organ, that Mr. Turner was "king of the Ku Klux," and especially the charge of the *Standard*, that the assassination of Stephens could be traced to Mr. Turner, would arouse the Jacobinical Leaguers to his assassination.

Mr. Turner may be thankful to the Governor for now attempting to beat off his dogs, but, doubtless, he would have had more cause for thankfulness, if he had not at first used words calculated to set them on.

We do not know how long his presence may be needed at home, but we would advise him to stay as long as it is necessary, and, as we have said, we will try to run the machine and keep the animals stirred up until he can return.

HABEAS CORPUS.

We understand that Chief Justice Pearson, to-day issued a writ of Ashes corpus to Col. Kirk, on the application of Judge Merrimon and E. C. Parker, Esq., counsel for the parties, to bring before him, J. E. Boyd, S. S. Scott and A. G. Moore, and one other whose name we did not learned, arrested by Kirk and his militia, in Alamance, on yesterday.

These gentlemen are peaceful, quiet citizens, and Mr. Boyd is candidate for the Legislature from his county. They have not been informed as to the charge or charges on which they were arrested. Col. Kirk, when asked on what grounds they were arrested, said it was done in pursuance of orders, which, of course, means orders from the Governor.

There has not been a minute in any day since the surrender that these men could not have been arrested by any civil officer on a civil warrant; why the military should be called in can be for no other reason than to inflict injustice, supercede the civil law, or provoke collision.

We understand that Kirk says he shall pay no regard to the writ of Ashes corpus. Should he resist, the question will be settled whether we are living under a Constitution or under a military despotism.

THE SITUATION.

A gentleman who has just returned to this city, after visiting many of the counties west of Raleigh, states that he met with no white man who endorses or will support the Holden administration. He says that the condemnation of Holden is universal. Many Republicans are outspoken in their condemnation of Holden's military movements. The selection of Kirk to command the troops, is not endorsed by any one.

THE MOUNTAIN COUNTIES.

We have just conversed with an intelligent gentleman from the Mountains, who assures us that our cause is daily growing stronger, and that the Conservative Democratic ticket will sweep every county in the District, with perhaps the exception of Mitchell and Polk. Our people are calm but determined.

THE GRANVILLE CANDIDATES.

The Radical candidates for Granville county are, for the Senate, R. W. Lassiter, and for the House of Representatives, T. L. Hargrove and E. H. Lyon, white and Haywood Reavis, colored.

Mr. Lassiter was member of the Senate from that county in the late General Assembly, and established a character for "artful dodging," on important questions. He was one of the committee who "located" the penitentiary on Deep River, by which operation the State was swindled out of $100,000.

Mr. T. L. Hargrove was a crazy secessionist in 1860 and 1861, ready "to walk over burning fire coals, to take Washington City," a year before the war began. He seemed not to have sense enought to know that to walk over fire coals for such a distance, would so disable him that he could not have fought after he got there.

Mr. Hargrove is the only man in the State that has expressed a determination to re enslave the negro, if he can, so far as we have heard.

Messrs. Lyon and Hargrove were both members of the Legislature in 1858-59. Their political pedigree and performance can be learned by reference to the Journal of that date. Holden and Welker pronounce them unsafe nags for poor folks and negroes to drive.

By reference to the Journal of the House of Commons for session of 1858-'59, page 36, it will be seen that Mr. Walser introduced a bill "to remove free persons of color from the State."

On pages 492 and 453, it will be seen that this bill of Mr. Walser's came up as a special order.

Mr. Farrow moved that the question be indefinitely postponed, which was, of course, equivalent to the defeat of the bill. The yeas and nays were called by Mr. Meares, and the motion to indefinitely postpone was carried, yeas 62, nays 44, but Messrs. *Lyon and Hargrove, both voted against postponement.*

On page 250, of the Journal of the same session, it appears that Mr. Pritchard introduced a bill "to inforce the collection of debts from free negroes."

On page 513, we see this bill came up.—Mr. Outlaw moved its indefinite postponement, which was decided in the negative, *Messrs. Lyon and Hargrove voting against postponement.*

After some amendments to the bill were news has gone abroad all over the country, adopted, a motion was made to lay the bill on the table, Messrs. *Lyon and Hargrove voted on the negative.*

The bill was then put on its passage on the second reading, (see page 513) and Messrs. *Lyon and Hargrove voted for it.*

Not having this bill before us, we are not prepared to say what its provisions were, but if we are not mistaken it provided for the sale of free persons of a color for debt, under certain circumstances. We think it finally failed its passage for want of time.

On page 329 of the same Journal, we see that Mr. Fleming introduced a bill "to prevent the emancipation of slaves by will."

The bill came up, (see page 467) for consideration, when Mr. Fleming offered an amendment, the substance of which was to allow slaves that had been emancipated by will to choose their masters and become again enslaved, under certain regulations, one of which was that the person chosen as master by the negro should pay his value to the school fund of his county.

Mr. Windly moved an indefinite postponement, which was lost, Messrs. *Lyon and Hargrove voting against the postponement.*

Mr. Chambers moved to lay the bill and amendments on the table, which was lost, Messrs. *Lyon and Hargrove voting in the negative.*

Mr. Forebes had offered an amendment that "when any free negro shall desire to become a slave, he may do so under the provisions of this Bill," and Messrs. *Lyon and Hargrove voted for the amendment.*

Some other amendments were offered and not adopted, when the bill was put on its passage on the second reading, and was defeated by ayes 55, nays 58; but Messrs. *Lyon and Hargrove voted for it.*

So much for Messrs. Lyon and Hargrove's record in regard to the negroes whose votes they are now seeking to send them to the Legislature. If their Conservative opponents don't take pains to let the colored people know something of these things it will be their own fault.

Mr. Lassiter's case—his former and latter record—shall be attended to in due time.

KIRK AND HIS MEN.

At the meeting of the Stockholders in Hillsboro', we saw Mr. Shaver, the Mayor of Salisbury, who spoke in terms of strong condemnation of the behavior of Kirk's men; he said the account of it as given by the SENTINEL's correspondent, was not at all exaggerated.

When Kirk reached the Shops, one of his orderly's happened to be at Dr. Murphy's, when he heard an old man, John Patterson, speaking his mind freely on Kirk and his squad. The orderly reported him to headquarters and soon the old gentleman was arrested and taken to camp.

Dr. Murphy represented Mr. Patterson as the father of one of the Radical candidates for Commissioner and he was soon released.

Mr. Boyd the Conservative candidate for the Legislature was arrested by Kirk's men. Mr. Boyd is a young man of high moral character, and a member of the bar; he could be elected on his own merits, but his arrest will add much to his vote. Mr. James S. Scott, is a merchant of Graham and a young man of fine military character.

FORTY FIRST DISTRICT.—W. B. Councill Esq., has been nominated for the Senate in the forty first Senatorial district, composed of the counties of Burke, Caldwell and Watauga, and has accepted the nomination.—This is a most excellent nomination, and will succeed.

JUST WAKED UP.

In the Local column of the *Standard* of this morning appears the following paragraph:

"Wyatt Prince, of Chatham county, was shot and killed by an unknown hand, last Friday night. A guard of the 8th U. S. Infantry was sent to the spot, and succeeded in making several arests.

There is an insiduousness and falseness about this paragraph that would astonish any one not familiar with the crooked characteristics of that paper, which really seem as natural to it "as bias to the bowl."

A stranger reading the paragraph would think that it alluded to some new outrage the *Standard* had just heard, of and which had not been noticed before; whereas the shooting of this negro Prince is the same affair that created such excitement here last Sunday and Monday, and of which news has gone abroad all over the county. It is the same affair on which twelve of the most respectable, quiet, law-abiding and pious citizens of their section were ruthlessly torn from their families, brought to Raleigh and thrust into a felon's dungeon, against eight of whom not a particle of evidence was adduced, and against the other four, such flimsy testimony was given in, that not an intelligent jury in the world, black or white, would convict a dog on it.

The paragraph says that Wyatt Prince "was shot and killed," a most notorious falsehood, for he was known to be alive on Wednesday, and we are informed was alive and *in this city yesterday.*

The *Standard* states that they were "arrested," but says nothing of the examination and disposition of the case. This was no doubt purposely done to leave the impression on the public mind abroad that they were all committed and stood a chance of final conviction.

"O, Shame! where is thy blush!"

CONVENTION TO DAY.—The Conservative Convention for the county of Wake, met at the Court House, to-day, for the purpose of filling vacancies on our county ticket caused by the resignation of some of the former nominees on account of being banned by the 14th amendment.

There were a large number of delegates present, and the meeting was harmonious.

Messrs. C. F. Dowd and B. Y. Rogers received the nomination for the House of Commons in place of Messrs. Alford and Jones.

For Commissioners, Messrs B. W. Justice and S. M. Utley, in place of Messrs. Poot and Scarboro.

The following gentlemen were appointed by the convention to constitute the county Executive Committee, Geo. H. Snow, W. C. Upchurch, G. H. Farribault, L. D. Stephenson, and Reuben Fleming.

We have now a complete ticket and a good one; let us go to work and elect it.

OUTRAGE BY KIRK.

Mr. Lawson Fry, for years the Railroad Agent at Newton, a most worthy and respectable man, was brutally outraged and maltreated by Kirk's men, as they passed Newton, on their way to Alamance.

Some boy or mischievous person had written scurrilous sentences on a car standing on the side track at Newton, about Kirk. His men pulled, cuffed and kicked the Agent out of the house, made him go for water and wash off the offensive language and write, "Col. Kirk is a gentleman."

Will the Governor dismiss Kirk for this? Not he! When was he ever known to drop such a character?

CLAYTON, N. C., July 14th, 1870.

JOSIAH TURNER, JR., ESQ.:

Dear Sir—About a week ago Nathan Gulley came to this place and posted up flaming notices that the Hon. S. F. Phillips, Joe Holden, Mr. Hawkins and other distinguished Radicals, so-called, would address the citizens of this place.—Said Gulley has been going the rounds ever since, persuading the citizens to go and hear the candidates. Sure enough yesterday the candidates came, accompanied by one Henry Hogan, a Lieutenant in Holden's State Troops. Just imagine how dismal Jim Harris looked when he found no one here to hear him, (only twenty seven negroes.) They invited the few that was present to a bar room, treated them to liquor, and then to speeches. Henry Miller, Local editor of the *Standard*, led off with one of the poorest speeches that ever bored any audience. Then came Jim with a perfect tirade of abuse of the Conservative party from beginning to end. He said the Democratic party was conceived in hell and brought forth in iniquity.—Everybody that heard him was disgusted with him. James came to a bad place to make a speech when he came here. The people are tired of Radicalism and will not hear them.

We expect to beat the Radicals 500 majority in this county.

S. P. M.

P. S. Holden, Hawkins and Phillips, didn't come.

OLD JOHNSON COUNTY.

SELMA, Johnston Co. N. C.

MR. EDITOR:—One of the most intelligent and enthusiastic gatherings ever held in our County was held here on the 14th ult, to listen to the speeches of the Hon. R. B. Gilliam and Hon. S. H. Rogers. The meeting was called to order by Maj. C. W. Gazette Chairman Executive Committee who in a few and appropriate remarks introduced the speakers of the day, and never were speeches more attentively listened to than those of Judge Gilliam and Col Rogers. Among the audience were a large number of our colored friends who paid the most *respectful* attention, and after the meeting were heard to say "*we's got something to think bout.*" Truly they have; as the facts and figures presented by our distinguished speakers, would give any true and loyal son of our glorious old North State, something to think of. Rely upon it, old Johnston elected a carpet bagger once, but she will never prove false again. We are to have another gathering soon when the candidates for the county offices will address the people. Let me assure you sir, old Johnston is not asleep, instead of being behind, will yet be the banner county of the old *North State*. To the Smith-field Brass Band, we are under many obligations for the sweet music discovered on the occasion.

JOHNSTON.

The war between the Jones and Dockery factions in the 3rd Congressional district is raging most terribly. As far as rascality is concerned Jones has the advantage.

PINEY GROVE, WAKE CO., N. C.
July 15th, 1870.

Friends and Fellow-Citizens:

It would seem almost unnecessary for me to call your attention to the oppressed condition of our people in the way of taxation, as it is a subject that you are all fully acquainted with, and further, all of you who know me are apprised of the fact that I have never taken any active part in our government matters, neither have I been an aspirant for office, and have taken but little interest in politics. I have been a close observer before and since the war, we were all more or less concerned in.—As such I feel prompted from a sense of duty to be silent no longer, as I feel that silence ceases to be a virtue on my part, sympathising with my countrymen as I do in their oppressed condition. We as a people are paying twice the amount of tax that we paid before the war, but have less than half the means to pay with.

My heart has been made sad while looking at the destitution of my neighbors and friends for bread itself necessary to sustain life temporarily, especially so, as to the poor widow and orphan. Many of both white and colored have come to me for help, some I have had to send away hungry because of inability on my part to supply their wants, yet they have to pay a high tax to support the government. Fellow citizens these things ought not so to be. I therefore, offer the following as a remedy for the disease that we are all suffering from, yes, almost too intolerable to endure and live. I propose, that we, as a people regardless of political differences or color, ask all generous-hearted citizens of our beloved our State to unite and agree to reduce the salaries of all our officials one half, where it would not conflict with the constitution of the State, beginning with the Governor of the State, from the same to our township officers inclusive, which would lessen our taxes about one half, and we ask our officials to consent cheerfully and share a part of the burden, we are as a people, pressed down under them, our yoke will be more easy and our burdens lightened. I am a friend of Justice, and respectfully request all papers of the State both political and religious, to publish the foregoing and oblige.

A. N. BETTS.

P. S.—Are there not good hearted men that feel concerned in the matter that will speak out and give the people more light on the subject. So mote it be.

YOUNG, HEALTHY, VIGOROUS AND CONDUCTED BY A WISE, PRUDENT, AND ECONOMICAL BOARD OF DIRECTORS UPON A

NEW SYSTEM,

devised by its talented and distinguished Actuary CHAS. N. MORGAN, which must make it the leading Company in America, for persons in

MODERATE CIRCUMSTANCES,

and all who appreciate and demand the purest UNQUESTIONABLE SECURITY, at rates in most cases, *cons derably lower than* those of the leading Mutual Cash Companies.

The Excelsior issues Policies on all the plans of *Mutual or Stock* Companies, extending to policy holders, all the really desirable advantages. Its policies being *non-forfeiting*, the insured are privileged to *live and travel where they please* in any healthy part of the world, they participate in its profits, are allowed 30 days grace for payment of renewal of premiums, a cash surrender value of policy, *and a privilege* which has never been offered by any other Company, that of converting Policies into

ANNUITY BONDS,

after the payment of 5 or more annual premiums.

As Hitherto, I have been restricted in the very popular Company which I had the honor to represent to *Stock rates alone*, which most of the *Mutual*, and mixed Companies have adopted. This disadvantage, together with the multiplication of many new Companies, in this State who claimed to possess unusual charms, together with the extraordinary attractions presented by the Excelsior induced me to accept the management of that Company, whose plan combines *all the* popular features of other Companies, represented in this State, without an exception, and the additional privilege of converting policies, which the holder can not afford to keep up, or wishes to discontinue, because of the death of those for whose benefit the policy was secured, *into an Annuity Bond* which provides an *income in cash through life, or for a series of years as preferred.*

Circulars giving full explanations and any other information, will be cheerfully furnished.

The most liberal arrangements, will be made with first class solicitors, to push the EXCELSIOR entitle her to occupy.

HOUSES CREEK TOWNSHIP.

We are requested to announce Mr. Wyatt J. Holleman as a candidate for Clerk of House's Creek township, in the ensuing election, subject to the decision of a Township meeting should one be called.

Christ Church.—Rev. O. S. Barten, pastor of Christ Church, Norfolk, Va., will occupy the pulpit of Christ Church in this city, to morrow, at 10½ A. M., and 8½ P. M., in exchange with Rev. Dr. Mason, who will occupy the pulpit of his Church in Norfolk.

Randolph Macon College.—We have received the annual catalogue of this institution for the year 1869-70, by which we ascertain the number of students for the year was 109. This College, which was removed from Mecklenburg county to Ashland, is fast taking a high stand among the Colleges of the South.

First of the season, that is the first watermelon—not the first that has appeared in the market, but the first that we have had a prospect of sticking our tooth in. There is a pile of them where this one came from, to wit, namely, at Mr. C. H. Weathers' family grocery, right opposite the Post Office.

Speaking of Mr. Weathers, reminds us that we promised to mention the fact that Mr. Fuller has deposited with him a quantity of his Italian Cement for sale, used for mending all sorts of glass, china and crockery ware; and that if any body has a broken meerschaum pipe it can mended neatly with this cement by leaving it at Mr. Weathers' store.

Hose Test.—The Rescue Steam Fire Engine Company will meet at the Engine House, on Monday afternoon, at 4½ o'clock, for the purpose of testing their new hose. The test will take place at the Institution for the Deaf Dumb and the Blind.

There will, also, be a called meeting of the Company, at Prompert's saloon, on Monday night, 8½ o'clock.

Good Beef.—Mr. Ben. Kirkham will have at his stall, No. 3, in the Market House, until 10 o'clock to-night, some superior stall fed beef and nice fat and tender lamb. Persons desiring a choice piece of either are requested to call and examine for themselves.

Query.—The local of the *Sentinel* says *ladies* of a certain class ride through the streets at lightning speed. How does the Sentinel man know they are of that class? —*Standard.*

Got our information from a habitue of the *Standard* office.

Mrs. Maultsby, wife of Mr. D. S. Maultsby, living in Fayetteville, was severely stunned by lightning on last Tuesday.

SUPREME COURT.

Saturday, July 16th.

The following cases were argued to day, to-wit:

Ellen Harman, *et al*, vs. Margaret Ferrell and John O'Rorke, from Wake county.—Counsel for plaintiff, Messrs. Rogers and Batchelor, and for defendant, Messrs. Battle and Sons, and Johnstone Jones for O'Rorke.

True Merit Appreciated.—"Brown's Bronchial Troches" have been before the public many years. Each year finds the Troches in some new, distant localities, in various parts of the world. Being an article of true merit, when once used, the value of the Troches is appreciated, and they are kept always at hand, to be used as occasion requires. For Coughs, Colds, and Throat Diseases the Troches have proved their efficacy.

A Paragraph for the Dressing-Room.—Gentlemen who are trying to revive the tinge of other days in their grizzled hair with muddy and glutinous preparations, are hereby informed that Prelon's Vitalia or Salvation for the Hair, will accomplish the object more effectually than any of these, and is transparent and without sediment.

Cut this paragraph out and lay it on your toilet as a reminder.

July 13-eod1w. 6

We see by the Wilmington *Journal* that an arrangement has been entered into by which the city of Wilmington, will have to pay $3,000 per annum to Cantwell, "Judge" of her Special Court, for making a consummate fool of himself. This is $500 more than the salary of a Justice of the Supreme Court.

House Burners Arrested.—To-day in the forenoon, an officer marched sixteen negroes into the city, arrested on a warrant charging them with burning the house of Mr. Jessee Burt, in the neighborhood of Holly Springs.

The warrant was returned before Justices Adams, white, and Dunston colored.

L. P. Olds, and A. M. Lewis, Esqs., appeared for the prisoners, and F. H. Busbee, Esq., for the State.

Mr. Busbee moved a continuance of the trial, on account of the absence of witnesses for the State, and read a letter from the Magistrate who issued the warrant, stating that the officer had been instructed to notify Mr. Burt in order that his witnesses might be summoned, but the officer had failed to do so; and further that it was expressly agreed that the trial should come off on Monday.

Notwithstanding these facts, the motion was overruled, whereupon the Solicitor Cox offered a written protest against going into the examination under the circumstances, which was filed with the papers in the case.

Of course the examination being forced, without a witness for the prosecution, the Solicitor withdrew, and would have nothing more to do with the matter, and the alleged house burners were turned loose.

We shall refer to this matter again.

League Outrage.—While the gentlemen of Buckhorn settlement were here in Raleigh under military arrest, or rather, before they reached home, after their examination and release on Monday night, the premises of two of them were invaded by squads of negroes, who were fortunately met and foiled in whatever devilish designs they might have had in view.

They first went to the house of Mr. Dickson Stevens, who had been arrested and brought here by the military. But, fortunately Mr. Stevens' brother-in-law and his wife had gone to stay with the wife of Mr. Stevens until his return, and when the squad of some fifteen or twenty entered the yard and were approaching the house, they were fired on, and fled precipitately.

The same night, a like number, supposed to be the same gang, visited the house of a Mr. Jones, who had accompanied the mother of Mr. Dickson Stevens to Raleigh.—There were two young men at the house, who seeing the gang approach fired on them and they left. One was wounded, but his crowd took him off.

The invaders in both cases were distinctly recognized as negroes. No doubt they expected to find these families unprotected, and as the heads of the families had been arrested by the Governor's military, their families were looked upon as lawful prey for the leagues, and their property a legitimate subject of plunder and confiscation. The invasion was the natural result of the Governor's policy and proceeding.

Mountain District.—We learn that Maj. Plato Durham of Cleaveland has declined the nomination for Congress in the seventh District, and Col. J. C. Harper of Caldwell has been selected as our standard bearer in that District. Maj. Durham was confident of his election, but after his acceptance of the nomination, for personal and private reasons felt obliged to decline. The selection of Col. Harper as his successor, is an admirable one. We consider his election certain, and his disabilities having been removed, he will take his seat, and make one of the most useful members of the body.

Some days ago while a member of one of Holden's militia Company in Newbern, was describing to a gentleman whom he happened to meet on the streets, the roguish propensities of his command, officers and all, a negro happening to overhear the conversation, stepped up and stated to the gentleman that the man talking to him was just as bad as any of his Company, for he (the negro) had not many hours since detected him stealing watermelons from a boat at the market wharf.

Col. Waddell, the gallant Conservative standard bearer in the 3rd Congressional district, has entered into an active and earnest canvass in his district.

Col. Waddell is a gentleman distinguished amongst all who know him, both for his integrity and talent, and the Conservative party could not have solicited a candidate to represent them in Congress, combining so many qualifications for the position to which he has been nominated.

It is stated, upon good authority, that old Ku Klux Ingram, Radical candidate for the Senate in the Anson District, actually blew his nose on the United States flag during the celebration ceremonies of the glorious '4th" at Wadesboro'.

Treason! Treason!! Treason!!! Holden, Kirk, Billy Smith and Andrew Jackson Jones to the rescue.

The Blood is Summer.

The blood deteriorates in hot weather. Profuse perspiration deprives it of a portion of its nourishing and reproductive properties. Consequently, in Summer, the flesh loses in some degree, its firmness, the muscles lack their usual elasticity and vigor, and the weight of the body diminishes. These are clear indications that the ordinary supply of the life-sustaining principle afforded by the food we eat, is not sufficient to meet the requirements of the system under a high temperature. There is another reason for this, besides the direct influence of the heat, viz: the loss of appetite and the weakening of the digestive powers which it occasions. Under these circumstances a wholesome invigorant is evidently needed, and the best and safest is Hostetter's Stomach Bitters. This admirable vegetable tonic and alterative, acts favorably upon the system in several ways. It increases the appetite and facilitates digestion, thereby inclining the stomach to receive and enabling it to assimilate a due amount of nourishment. It also tones the relaxed secretive organs and the bowels. Under its operation the process of emaciation, occasioned by the drain through the pores, is arrested, the whole frame refreshed and invigorated, and the spirits exhilarated. The dyspeptic, the bilious, the nervous, the debilitated, scarcely need to be told that it is precisely the stimulant and corrective they ought to take at this season.—Thousands of them know the fact by experience. Nothing in the pharmacopœia (or out of it) will supply its place—least of all the *trashy local nostrums* which some unscrupulous dealers would be glad, for the benefit of their own pockets, to peddle out in its stead.

Read and Ponder.

I never read a dozen pages of medicine in all my life, and of course know nothing about it But, as I said before, Dr. Hammond is my authority for saying, that any man who smokes such good Cigars, or chews such good Tobacco, as you can find only at PINCK C. HARDIE'S need have no fear o. declining health. But will, on the contrary, improve in health and increase in flesh so long as he continues to use them.

Indeed the authority of such distinguished Physicians as Dr. Hammond is not needed to convince you that I only assert what can be substantiated, by contrasting our esteemed fellow citizens, Jno. C. Palmer and Jas. M. Towles, "who never smoke," with such men as my friends Creech on the corner, Maj Tucker just opposite, Harvey Moore, of the servery, and Nimrod Hayes, the Livery Stable man, and a host of others I could name, who use my Cigars and Tobacco.

Suffer a word of exhortation; come and see me. Try my goods, and if I don't suit you go further and fare worse.

Friday Night Dispatches.

WASHINGTON.

Washington, July 15.—Gen. McClelland has been elected Chief Engineer of the Department of Docks in New York City

Peter Negley was confirmed as Assistant Treasurer at Baltimore.

The Cabinet held a session at the Capitol.

Baron Gerolt, declares in diplomatic circles that Prussia is fully prepared for the war.

The Senate confirmed Frank Jaysen vice Motley, as minister to England.

The Georgia bill is a good.

All appropriation bills have been signed.

No special legislation.

Adjourned *sine die.*

The President presented the following message, which delayed adjournment until 5 o'clock It provoked some argument, but produced no result:

To the Senate and House of Representatives:

Your attention is respectfully called to the necessity of passing an Indian appropriation bill before the members of Congress separate.—Without such appropriation Indian hostilities are sure to ensue and with them sufferings, loss of life and expenditures vast, as compared with the amount asked for.

The latest intelligence from Europe indicate the imminence of war between France and North Germany. In view of this a sound policy indicates the importance of some legislation tending to enlarge the commercial and marine of this country. The vessels of this country at the present time are insufficient to meet the demand, which the existence of a war in Europe will impose upon the commerce of the United States, and I submit to the consideration of Congress, that the interests of the country will be advanced by the opportunity to our citizens to purchase vessels of foreign construction for the foreign trade of the country. An act to this effect may be limited in its duration to meet the immediate exigency.

The foreign mail service of the United States is in a large degree dependent upon the Bremen and Hamburg line of steamers.

The Post office Department has entered into contracts in writing with the two Companies above named, add with the Williams and Guion line respectively for a regular and continuous service of two years. The only arrangement that could by made with the Inman and Cunard lines is temporary, and may be broken off at any time. The North German lines are first class in point of speed and equipment, their steamers usually making the trip across the Atlantic in from 24 to 26 hours in advance of the Williams and Guion line. Should the North German steamers be blockaded or impeded by France, our postal intercourse with foreign nations will be greatly embarrassed, unless Congress shall interpose for its relief. I suggest to Congress the propriety of further postponing the time for adjournment with the view of considering the questions herein communicated.

THE EQUITABLE

HAS BECOME THE LEADING COMPANY OF THE WORLD.

Its New Business (cash assured), for the year 1869, exceeded that of the second company in rank by more than THIRTEEN MILLION DOLLARS.

In 1860 it was the 9th *Company* in new business for the year; in 1861 it was the 8th; in 1862 and 1863, the 7th; in 1864 and 1865 the 6th; in 1866, the 4th; in 1867, the 3d; in 1868, the 2nd;

In 1869 it was the FIRST.

The insuring public should not allow itself to be deceived with regard to the term "Annual Dividends." Many companies using this expression mean that their dividends are "annual" after THEY COME READY TO PAY THEM AT ALL; but they DO NOT READY TO PAY until the settlement of the third, fourth, or fifth premium.

One hundred Dollars paid in dividends at the end of one year, and each year thereafter, equals FOUR HUNDRED AN. THIRTY SIX DOLLARS paid at the end of FOUR YEARS, interest at six per cent.

Applications for Assurance may be made to any of the Society Agents throughout the country, or in person or by letter to the General Agents.

Gentlemen of character desirous of forming a connection with the Society as Agents are invited to communicate with its General Agents.

Special Notices.

This Valuable Family Medicine has been widely and favorably known in our own and foreign countries upwards of

THIRTY YEARS!

It has kept none of its good name by repeated trials, but continues to occupy a prominent position in every family medicine chest.

It is an External and Internal Remedy. For Summer Complaint, or any other form of bowel disease in children or adults, it is an almost certain cure, and has without doubt, been more successful in curing the various kinds of cholera than any other known remedy, or the most skillful physician. In India, Africa and China, where this dreadful disease is more or less prevalent, the Pain Killer is considered by the natives, as well as European residents in those climates a sure remedy; and while it is a most efficient remedy for pain, it is a perfect safe medicine, even in unskillful hands. Directions accompany each bottle.

Sold by all Druggists.

Price 25 cts., 50 cts., and $1 per bottle.

SWEET QUININE

Is a Recent Improvement.

Replaces the use of the BITTER SULPHATE QUININE with which all are familiar. Does for those, it is

WARRANTED

Fully equal in every way to Bitter Quinine,

AND, LIKE IT, IS THE ONE

Great, Positive, and Unfailing

CURE

For all Diseases of Malarious Origin.

Fever and Ague,
Intermittent Fever,
Chill Fever,
Remittent Fever,
Bilious Fever,
Dumb Ague,

and the long train of disorders following these when neglected.

SWEET QUININE

is made solely from **Peruvian Bark** (so is Bitter Quinine), therefore is of Vegetable origin, and not a Mineral poison, but on the contrary is proved to be one of the elements found in the blood of all healthy persons.

SWEET QUININE

acts as an **antidote to,** as well as a cure for, **malarial or miasmatic poison,** the absorption of which by the lungs causes Intermittent Fevers, etc. The only advantage claimed for

SWEET QUININE

over the use of old Bitter Quinine is the entire absence of that **intense, persistent bitterness,** which in the latter is an insurmountable obstacle to its use with most persons, and always with children.

SWEET QUININE

is in two forms—in POWDER, for the use of Physicians and Druggists, and FLUID, for use in the family and for the general public.

THE AMERICAN COMBINATION Button Hole & Sewing Machine

Has been honored with the *highest award* in premiums and diplomas wherever entered for competition at *fairs* and *exhibitions* held during the past season.

THE SIMPLICITY, EASE AND CERTAINTY with which this machine operates, as well as the uniform excellence of its work, throughout the entire range of Sewing, in

Stitching, Hemming, Felling, Tucking, Cording, Braiding Quilting, Gathering & Sewing on, Overseaming, Embroidering on the Edge, and its Beautiful Button-Hole and Eyelet Hole Work.

Place it unquestionably far in advance of any other similar invention

It is also the CHEAPEST intrinsically, as well as the BEST, since it is really TWO MACHINES combined in one, (by a simple and beautiful mechanical arrangement never before accomplished by human ingenuity,) making either the Lock Stitch or Button-Hole stitch, as occasion may require. It is at the same time, simple in construction, comparatively noiseless, easily understood, and in a word, it combines with these ADVANTAGES, EXCLUSIVELY ITS OWN, THE MOST DESIRABLE QUALITIES OF ALL OTHERS.

The public are invited to examine this remarkable machine at Mrs. THOMPSON'S Boarding House, (Mrs. Thompson's old stand,) Fayetteville Street, and at Watson's Photographic Gallery.

Protected by Copy right for 28 years from May 9th 1868.

The above Fluid has been in constant use for upwards of three years, and has sustained its unrivalled reputation, as a brilliant, non-explosive illuminating agent, though subjected to the severest tests. Being universally conceded to be superior to Kerosene or Coal Oil. It makes a better light and more of it, than any other illuminating compound. Soft, clear, steady and uninjurious to the eyes. All that is asked is, a fair and impartial trial.

Among the numerous testimonials received read the following:

PHILADELPHIA, March 15th, 1869.

The undersigned, having witnessed the experiments of Messrs. Hale & Co., with their Combination Burning Fluid, take pleasure in commending it to the public. The various tests to which the Fluid was subjected, was in the highest degree satisfactory. We have no hesitation in pronouncing it to be a safe and brilliant illuminating agent. Its cheapness added to its other good qualities, should insure its introduction into every family in the country, where Kerosene Oil is used.

DEAR SIR.—We certify that the "Balding Pumps" put up by you in the town of Scotland Neck are a perfect success. They pump very rapidly, and by attaching hose, will throw water from 40 to 60 feet and would prove invaluable in case of fire.

POLICIES VALUABLE IN LIFE, AS WELL AS AT DEATH!!

THE BROOKLYN LIFE, IS THE ONLY COMPANY IN AMERICA, WHICH GUARANTEES

DEFINITE CASH SURRENDER VALUES,

IN CASE A POLICY IS FORFEITED FOR NON-PAYMENT OF PREMIUM.

The BROOKLYN LIFE enjoys the highest reputation *for judgment of investment, economy of management, and skill and care in the selection of risks,*—upon which elements of administration the security of a Life Insurance Corporation depends.

The laws of New York compel Companies in that State to calculate the Cash value of their Policies, each and every year, *and a certain legal standard of reserve and accumulation must be held by the Companies to meet all their liabilities.*

Insurers, in looking around for Companies in which to insure, should carefully seek for this important SAFEGUARD. It will be found in the BROOKLYN LIFE.

Gen'l. S. B. BUCKNER, Manager Southern Dep't.

The Globe has peculiar claims upon the Southern country, from having first introduced the non-forfeiting feature in all its policies. Its President, Mr. Pliny Freeman, was the inventor of the ten-year, non-forfeiture plan, and introduced it in the Company with which he was then connected.

The Globe takes no notes; but receives its premiums in cash, and pays its policies in cash, without deduction.

To those desiring it, the Company will issue policies, registered and certified by the Superintendent of the Insurance Department of New York, as "secured by pledge of public stock."
